

UBIFRANCE FACILITATING BUSINESS RELATIONS BETWEEN FRENCH-BASED COMPANIES AND YOU

The French Trade Commission Ubifrance in Ireland, the Ireland France Chamber of Commerce and their partners will organize an event related to the Renewable Energies on the 16th and 17th of October. French companies will visit and participate to ICOE. This exhibition is a major event in the renewable industry and particularly on the marine and off-shore energy. This will be an opportunity to attend to trade meetings with innovative French companies and to discover the French know-

UBIFRANCE IRELAND is the Trade Commission of the French Embassy in Ireland and is dedicated to providing intelligence on the market and business environment in Ireland to French exporters. We may also offer an individually tailored research and consultancy service to companies wishing to expand their activities in Ireland.

Our objective is to promote business between France and Ireland helping Irish trade to source products from France. We promote technologies, products, services and know-how from France, and puts French-based professionals in contact with their counterparts in Ireland.

The BtoB with France at ICOE is organised jointly by:

- Ubifrance Ireland
- Ireland France Chamber of Commerce
- Oséo
- SCAC (Scientific Department of the French Embassy)
- CCI International (International French Chambers of Commerce) and the following Chambers of Commerce:
 - ⇒ CCI d'Aquitaine
 - ⇒ CCI de Bretagne
 - ⇒ CCI de Champagne Ardenne
 - ⇒ CCI Languedoc Roussillon
 - ⇒ CCI de Lorraine
 - ⇒ CCI de Normandie
 - ⇒ CCI Nord Pas-de-Calais
 - ⇒ CCI Pays de la Loire
 - ⇒ CCI PACA
 - ⇒ CCI Rhône-Alpes
